

Enoch & Noah

* "And Enoch walked with God: and he
* was not; for, God took him" - Genesis
* 5:24
* "---and Noah walked with God -" -6:9
* "The earth also was corrupt before God,
* and the earth was filled with violence.
* ----For all flesh had corrupted his way
* on earth. "And God said unto Noah, 'the
* end of all flesh is come before me; for
* the earth is filled with violence, ---I
* will destroy them with the earth." --
* (from Genesis 6:11 - 13.) "---these are
* they which follow the Lamb ("walked
* with God")) withersoever He goeth.
* These were redeemed from among men,
* being the firstfruits unto God and to the
* Lamb. ---- for they are without fault
* before the throne of God" (- from Rev
* 14:4 - 5). "And except those days should
* be shortened, there should no flesh be
* saved; but for the elect's sake, those
* days shall be shortened." --Mtt 24 : 22.

The most startling event ever experienced by man since the dawn of time, is now on the near horizon. I speak of God's hand taking out of this world at least 144,000 people bodily! Should there be others: they won't squawk! But I am personally afraid to twist His word to say what He has not said. Many are my critics and vilifiers. Often it is founded in their delusion that ALL believers are to be taken out of this world before trouble strikes. Emphatically do I state: that cannot be found in Scripture (referring to "all believers"). Neither is it ever as much as remotely implied! For, His word reads: "MANY are ~~the~~ called, but FEW are

the chosen."

Christians are so slow to receive the Truth: delusions, error and wishful thinking hold the fort. A small multitude write about "worthiness", and of deserving, or having "earned" the right to be called out. It can't be earned thru faithful service unto God! For such 'service' God pays 'wages'. But, "the pure in heart shall see God". THERE you have it in a nut shell! We may kill ourselves in His service, and in the meanwhile have schooled ourselves in holy thinking, and disciplined our lives into His footsteps: yet none of that makes us "pure in heart."! It requires the very FIRE of God to burn the rubbish from out of man's heart: HE alone is fully able to cast out the devil, and fully purge out what the enemy placed.

That is the very reason for the "foolish virgins" now numbering vast multitudes: they have taken no OIL in their vessels. Hear me: you'll never get there thru 'words', nor yet thru 'faith'; but only thru that faith and dedication which leads to the fiery spirit baptism. And thereafter the 'garments' must be kept CLEAN. (--"which have not defiled their garments, and they shall walk with Me in white--" Rev. 3: 4). You need place no confidence in me, nor man; but IF you reject HIS word, you are a fool!

ENOCH * About these worthies I have previously

& * written, yet let us look again: The

NOAH * former means dedicated, while Noah

* means REST. God speaks to us thru the names. Turn back to the opening quotations: see how precisely the same words are used about both Enoch and Noah ("walked with God"), and how the Glorified One said the same in different words ("follow the Lamb whithersoever He go-

eth. . ."

Enoch was so "dedicated" that he "walked with God." You "believers" who have not had His searing fire: do you perpetually "walk with God" (withersoever the Lamb goeth)?

Enoch's lifespan was that of our earth's cycle, an even 365. Have you ever noticed how his "walk with God" covered 300 years (Gn 5:22)? Or stop to realize that those 300 years dovetail with the 300 cubits length of Noah's ark? (Gn 6:15). God has spoken to us of the same event and qualifying conditions thru the lives of Enoch and Noah. He was also the 3rd after Enoch. Enoch was 'dedicated' (unto God) to the extent that "God took him" (bodily out of this world). It was an Old Testament miracle of first magnitude. He became a 'type' of God's "firstfruits" (Rev 14:4) to be bodily removed from earth - as God commences the closing of this dispensation.

Enoch, Noah and His ark include prophetic measures of time; but since I have repeatedly dealt with them in the past, I will here confine myself to its spiritual aspects. Observe the ark was 30 high: height points to God and refers to the spiritual life of man. Length is of the earth and hence material. Yet distance means 'progress', and hence of necessity includes a measure of the spiritual; for, the carnal by oneself can only go back and down. Hence the 300 in length being the 30 in height x 10 (its first 'soul' increase), tells us of the spiritually progressive life - founded in the truth of God ("thee have I found righteous--"). The numeral '3' is that of thought and mind. It is thus the teacher and priest. Here we find it in its second and third 'powers' in the ark. Showing that those therein do receive His truth-word into their very hearts, channeling it forth in a spiritual drive

towards God. (This number symbology is in full keeping with my teachings as found in my "Number Symbolism".)

Next we view the ark's width. You senior students are aware how I ever speak of that as "latitude" (in man's life). We decide to live right: or the Christian enters upon the 'straight and narrow'. The path of life is supposed to be conformed to the 30 - 300 but due to man's weaknesses and carnality, he often deviates more or less from the straight line. That is the 'latitude' of which I speak - even as Peter denied his Lord. But behold the ark's width: it was a 50: the jubilee number of SETTING FREE! '5' is that of grace, or His freedom-setting power (thru Jesus Christ). We may deviate from the chalkline, but so long as our hearts are right, HE 'covered' for us on Calvary (what a wondrous Savior)! Know you not the linen curtains enclosing the Tabernacle were 5 x 50, 4-square for either section? Did not His grace thru FREEDOM-setting power atone for the sins of Israel when they obeyed the sacrificial laws? Doesn't His blood cover for you and me when in sincere contrition over error we bow before Him? (I Jhn 1:9; 2:1 - 2). (His BEAUTY overwhelms me!)

There, then is the power of Christ and of Christendom's God: the Ark of God and His Christ buoys UP those who are truly in Him, to be sheltered, kept and peacefully ride the storm-tossed crest - destruction and death filling its deep below.

God showed us thru Enoch how He will bodily lift His people out of this world. While thru Noah the required conditions to attain it. Bear also in mind the number which went aboard: 8! I have shown you how it is the number of REgeneration ("Ye must be born again"; "--ye who have fol-

lowed me in the REgeneration--"). It dovetails with the 30 and 300.

Back to His "truth-word" as I have already set it before you: ---"in their mouth was found no guile-" - (Rev 14:5), which takes us in that back to the word of our Lord and Nathanael: 'behold an Israelite indeed! in whom is no guile.' The name means recompence given by God. Which was our Lord's way of telling us that He has a "recompence" for those in whose lips there is no guile. (REJOICE you little ones in Him, who are 'too dumb' to be deceivers!)

Whether the first LIFT-UP be this coming 10th of Nisan, or a year or more later, it is coming, and now joyously close to hand. Is it not written that He shall "visit the Gentiles to take out of them a people for His name"? None but the bride takes a man's name; then his offspring.

I marvel at people's ignorance of Scripture, and "their hardness of heart." A beloved student wrote recently, telling of her sister who - in substance had answered her: should you ever become missing, I will know you have been kidnaped. Neither let any hear you say that, or you will get 'taken out' - to the crazy-house... I gather that they were well brot up by devout Chatholic parents, attending church. Yet to believe that God is going to snatch out of this society, "a people for His name" - becomes madness to believe! (How tutored is our Christendom - in the ways of the Serpent (!), who first taught Adam and Eve to doubt the word of God)!

Look with me to His word: "and no man could learn that song but the 144,000, which were αλορ-δσμενοι απο της λησ - (Rev 14:3) The A.V. is substantially correct, but the original Gr

lends it much more force. The first Gr word reproduced (which we would write as 'agordsmenoi'), means to buy or purchase. The English 'redeem' means the same, but I think most of us are prone to etherialize and mystify it - even a spiritual work wrot by the Son of God to obliterate man's sin. But back thru the O.T. the same "redeem" was used to "buy back". THAT is what our Lord came to do (He DID!!): to purchase, or BUY US BACK from the power of the enemy, and FROM THE LAND. Then you see the (apo)-word which means "away from". τησ λησ(tase gase) = the dry land or the soil of earth. Could He speak more clearly?

We have then the bold declaration that 144,000 "sang before the throne and before the elders (Rev 4:4), (for) they had been brought back AWAY FROM the landed earth!

It is commonly believed and taught that the 144,000 of Rev. 14, are to be of the earthly house of Jacob. That is but partially true, hence very misleading. Our Lord prayed, "Thy will be done on earth as it is in heaven." Thereby are we shown the TWO: an upper and a lower: a heavenly and an earthly: a balance between the two. That selfsame dual symbology runs back thru the entirety of Scripture. With amazing clearness is it shown us in the life of early Israel (Jacob) at Peniel, becoming "TWO bands." Much later his seed crossed Jordan, but many remained on East side, the "Jordan" separating between them. It symbolizes death. East bespeaks the light of this world; man's intellect and carnality, while West is into the Holy place, and into the Holiest with God. There are we shown how multitudes must pass thru death to approach their God; while another select number in the end-time (the children of the fathers), are to be taken across dryshod (death not

touching them); while yet another vast host remain on the east side, but still in the land promised unto the fathers. That bespeaks the EARTH-based Kingdom of God.

WE are now in the end-time days denoted by the "children of the fathers" - who crossed the Jordan.

According to the prophecies, God MUST terminate this dispensation by the closing of this century. But our Lord also revealed that the time would be discounted (or "shortened") - lest no flesh be saved (the coming holocaust of ruthless extermination eventuating in 'all out' atomic warfare. (Don't kid yourself that some 'mush' - peddling "fellowtraveller" can "stop bloodshed". In these days were such policies to be implemented, could only hasten and intensify the season of great horror. The more leeway the enemy is granted, the sooner and harder he strikes.)

We are now in the days of God's JUDGMENT upon the nations: it incepted in about 1911, breaking into fury in 1914. Industrialization had achieved momentum, greed and selfishness meteored; callous militarism strode the earth. Six to seven years rolled and rose the wave of man's BEASTiality; then came to birth that massive and unmitigated EVIL - even Lucifer's perfected brain-child: Communism! It broke waters of its womb Nov/1917. Figure it for yourself: 273 days, or 9 mos. x 6.555 2/3 (the 'Beast's' complete number) = 60 full months, or 5 years even; the 1st Balkan war broke October 8, 1912. (The said Balkan wars are generally conceded to have paved the way for World War I.) THERE is the number of man (6) there is the number of Beast! (Oct/12+5 =Communism.)

But one lone voice cried in the 'wilderness': communism must be exterminated! Yet the na-

tions did not come to the 'baptism' of 'John': Winston Churchill was not heard! Today, the Viper's nest has spawned its evil throughout the world; our brows of brass and neck sinews of iron have stood adamant against God's command as found in Joel 3. Every mortal has sought to feather his own nest; the nations have been 'incorrigibles': MAD in their own frantic race for supremacy. The harvest approaches: the price must be paid. God have mercy.

Glory be: He would "shorten the days"! How many minutes to 'midnight'? I do not 'know', but I do know this that an avalanchal mass of prophecy concurs that RIGHT NOW incepts His final master stratagem, and finishes 3 1/2 years later. However, He has spoken of the possibility of postponing ("delayeth") His coming. But even tho He 'postpones, (or "delays"), His coming, we are now in the very last end-time days. It cannot now be long (to wait). "As a snare it shall come upon all the inhabited world."

By the quotes opening this article, we see how God was grieved with the "violence" which filled the earth. With reference thereto, what has our civilization achieved? Or what has our 'Christendom' achieved? Have not the last few decades mounted ever increasing 'violence'? We have now come to hear it openly preached by some with a following, and even by some who have attained prominence and position!

We have attained unto a pseudo-Christianity, even to Lucifer's interpretation of Christ. Few are the pulpits which do not reek with it!

We hear much of a Bill of Rights, and of "Civil Rights", but when we look upon the net results, it is to behold increasing VIOLENCE. It would be

little amiss to say that they are "rights unto violence."

Then there is Unionism which is again a right unto violence and oppression: at any rate, such are its net results. Legislation and policies which foster violence and oppression, are founded in Lucifer's interpretation of Christ.

Look back to the birth of communism: it came thru violence; it has grown and maintained itself thru violence. Violence is of the devil....

When the fruit of the devil's work wrot too much violence on earth, God drowned them - like the evil rats they were.

I recognize the situation can and will worsen, but we do see this great evil having achieved such proportions, that God may soon see fit to deal therewith.

"All flesh had corrupted his way on earth." We might variously interpret the 'corrupt' word, yet today corruption seems to have invaded every phase of human life, even to the extent of corrupting the printed word of God!

When 'corruption' and 'violence' were united and reached the limit which God would permit, opened were the floodgates of water: death had its day!

In Sodom and Gomorrah, corruption stank to high heaven. "Violence" is not specifically mentioned, but because "Sodom's CRY was great" which arose unto God, I think we may safely infer that violence was great.

The cities were well situated. We are told that "abundance of bread and idleness" were in their midst. That too is what we have in the highly industrialized nations. The machine age and

science have provided us with abundance; this in turn provides considerable time for leisure ("idleness"). As the old saying goes, that is the devil's workshop.

The road to hell has been well paved for our generation. Any moment the brakes will give; then the mad downward plunge.

As of today, looking out upon the world scene, the specific and preliminary "signs" required, are not to be found. We have an abundance of little signs that these days are the last days. We have the tremendously great and UNdisputable sign: Jewry's return to Palestine. Concerning that "bud-ing fig tree" our LOrd said that our generation should not pass until all the matters concerning which He spoke, would FULFIL! That includes His return to earth. "That generation" counts from summer 1948 to the late seventies. (Today a 'generation' is reckoned about 30 years.) But His words: "shall not pass until ---" do not imply that its full measure must pass. Tho this sign is certain, it does not pinpoint the year, but only this "generation." IT CANNOT FAIL!! Howbeit, we could err as to the length of the "generation."

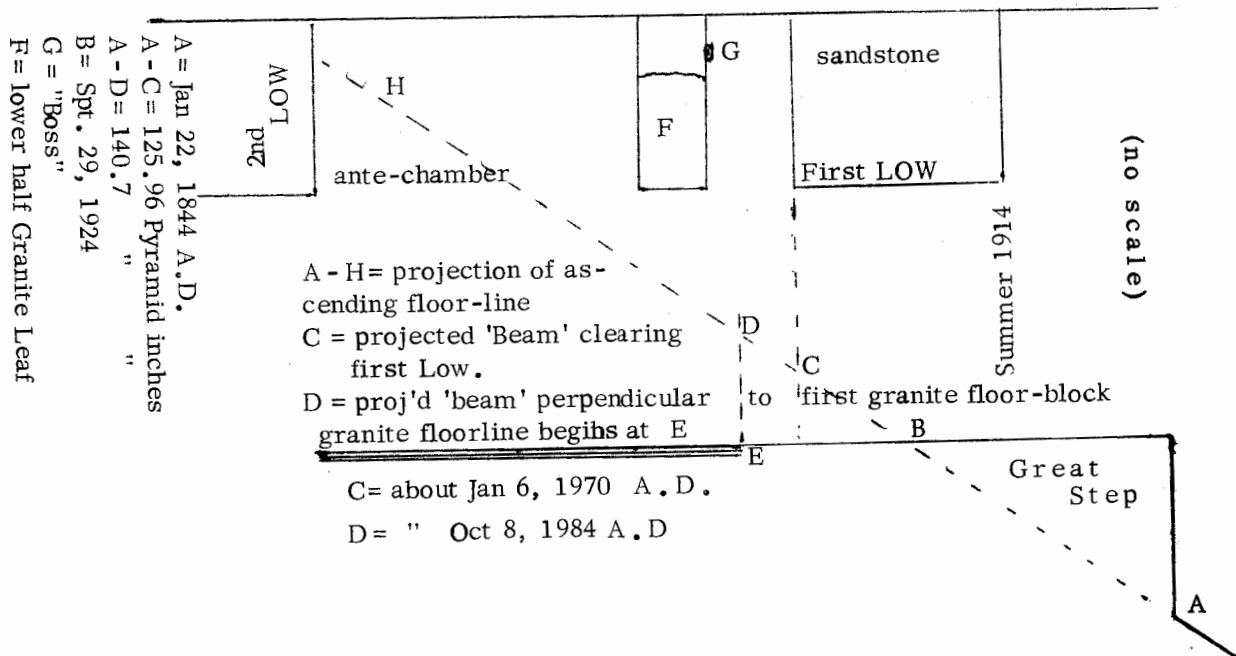

Almost a multitude of prophecies have I unveiled during the last decade and more, all con-curing that our time is up. And among them a very goodly number pinpointing the sacred calendar dates for Nisan/68 and Tishri 1971. I have utmost confidence in their accuracy: their verdict is emphatic: those be THE years. Yet the finite mind of man cannot know the mind of God. Therefore, not seeing some specific sign - like the "man of sin" on the world stage. I can but wonder if God has "postponed" . . . Yet aside from a multitude of signs and prophecies, many students, friends and even strangers have written telling of dreams

and visions, many of which unmistakably link with the Lord's immediate return.

Aside from the Bible we have but one more 'sure witness': the Great Pyramid of Gizeh. The graph on page of the Great Pyramid's floor-line to the King's Chamber shows the first great overhang under which we still are. By measured progression (inch per year), we came under it in 1914 at outbreak of World War I. It typifies the ever increasing tribulation, taxation, and God's judgment of the nations (thru wars and increasing distress.)

As up to 'C' all construction is limestone. As first low terminates, so does the ante-chamber commence. Its ceiling is granite. Ordinarily we attribute the crumbling sandstone to man-made conditions, while the hard granite to the Divine. Within the Pyramid passageways, including chambers, this is the first granite we have encountered in over 3,300 years (there are three granite plugs blocking the passage where Israel went out of Egypt, and their wanderings in the wilderness. GOD TOOK CHARGE. A whole nation was involved and others indirectly. It was a national drama which never has and never can be duplicated by mortal man. It required God who was on the job every second of time. Therefore do we see the granite plugs. They also serve as a correction factor, chronologically.)

Our point of progression on projected 'beam' approaches 'C'. There is the possibility that due to subsidence and stresses, our measurements could be a fractional inch in error which could throw the calculations (re time) off several months. But the super-colossal factor is: we are on the very verge of contacting the power of God (granite) as directly affecting the life of man and nations. First is from above (ceiling). Since we

have no precedent we can only conjecture. To my way of thinking, the ceiling blocks typify Christ in the sky: above the earth with His 144,000 who will be constantly 'commuting' between their Lord and His remaining church on earth. Unavoidably, this will exert a tremendous influence in human affairs.

At point 'D' (Oct 1984) we make first contact with the direct power of God in life of the nations; for, we come on to the granite floor-blocks. Never since the Pyramid was built has this been experienced. To my way of thinking it seems reasonable that a decade of more elapse from the time of Armageddon's finish, until any semblance of order and national course of events can resume. For, at the close of World War III, our world will be little better than a smouldering heap of rubble and ruin; and, within the remnant of the nations, largely chaos and confusion.

Symbolism of the Great Pyramid of Gizeh, is in perfect agreement with His prophetic word as found in Scripture: now the nations are under judgment, terminating in the great Conflict of the Ages. But the "Enoch" group shall be "taken, because of walking with God." Three and one half years later, the Elijah-group will go up (two weeks before the actual return to earth of Jesus Christ).

REJOICE ye humble ones who "walk with God" having His oil in your lamps - lest you step into snares set by the enemy.

GREAT shall be your JOY at
the "midnight cry". . .
